Subject: Harbor Oil Stormwater Data

Jayne,

Here is some correspondence from the City of Portland. We should discuss including the data in the RI. I have not heard back from you on the meeting dates. We could do the 24th, or maybe the next week. Propose some times and we will set something up.

Here is the cover letter and the data tables. If you want the chain of custody and other descriptions of the sampling event I'll copy the cd for you.

Let me know what you and others think of the results.
